“ Betty was the best sister I could of had she always made sure she sent Birthday cards and Christmas cards and called me and check in. We didn't get to see each other much living so many miles apart but we stayed in touch. I am going to miss her, she was the best sister ever. Rest in peace and be with God now. I love you, your sister Sharon

“ Our thoughts are with you at this difficult time. I will miss visiting with Ms Betty and discussing our pets, children, and many other topics. Betty was a very sweet lady with a very soft spot for her pets. She also gave me some interesting reading reccomendations, such as the Twilight series. Chris and I are so sorry for your loss.
