“ *To the Family of Mrs. Betty,*

I am deeply saddened and I wanted you all to know how much I thought of Mrs. Betty. It was a pleasure to know her and she really made me feel at home when I purchased Mrs. Martha's home. I will miss her and my prayers are with you all.

“ *Betty Lou was one of those people who always had a beautiful smile. Maybe that is what I loved so much about her...one of those special people who you could be proud to say she was your "cousin"! She will sincerely be missed by all who knew and loved her. I always liked to visit with her every time I was back in So. Boston on a trip. Please know that each of you in her immediate family are in our thoughts and prayers. May God be with you during this sad time.*
