“ *I am still in shock that you're gone. We've talked about the day we would be able to go fishing all the time again, once you got moved back up here, and now you've left me for that peaceful place known as heaven, where I know you'll never be in pain again. I love you like a sister and will sure miss you but will see you again soon. Dane, Dana, Winston, and the rest of the family, my prayers are with you all that God comfort you in the coming days, weeks and months. Betty was one of the best friends I could have ever had and I cherish the memories I have of our time spent together. If you need anything, I'm always here. I love you all.*

Not being able to make it to your funeral is one of my greatest regrets. I thought for sure my mom would pass before you and you'd always be there when I need you. I sure miss you Aunt Betty. Thanks for always loving me more than I deserved.
