“ We all loved Billie very much. She went on a trip with us to Memphis, Tennessee and to Lawrenceburg, Indiana. She was always so much fun and ready to do anything. She didn't care what it was, she was doing it too. When she and Bonnie went to buy drinks for everyone and nobody liked them, they took care of it for us. Such a wonderful, fun loving person. We will all miss her a great deal and hearing about all the activities of her grandchildren which were endless. She loved her family a lot.

“ I worked with Billie in Florida and she was a great friend to me and my husband. When our son passed away a couple of years ago she drove over from Bold Knob Arkansas so that she could help me and my husband drive over to North Carolina where are son lived. We had a lot of good times together working our last job at a Prison in Port Charlotte Florida. I will never forget her she was a lovely person and friend to me.

“ To the Family of Billie Caviness:  
I had the pleasure of going to lunch several times with Debra and Billie when Billie was visiting. She was so much fun and she was always smiling and quick to laugh. Plus, we shared a real love of Reuben Sandwiches! Treasure the wonderful memories of her, of which I am sure you have many. Billie will be sorely missed by all who had the pleasure of her company. With sympathy, Trudy
