“ Dear Billie

I want you to know how much you meant to me and my family. We were family! You were the sister I never had, the friend I needed and the second mom to my kids.

Our growing families keeping close in spite of the miles between everyone.

I wish I could have been there for you these last years. I've heard these are our Golden Years, but I don't see the earthly logic. Only to see heaven is Golden!

We will remember you Billie and never forget our happy times together.

Angie says "Hi Billie Mom".

Nathan always looked forward to your chocolate pie and chicken and dumplings.

I miss our special time together.

*Forever Always in our hearts,
Geri, Nathan & Angie*

“ *A million memories have filled my mind these past few days and I have cherished each one. Many of my fondest childhood memories involve the gathering of The Wiggs, The Coffman and The Henley families. Whether at home(s) or Lake Cachuma, we had some of the best days of our lives together. I have the greatest movie re-playing in my mind and it's all about us. These 3 families and what we meant to one another. On a more personal level, Billie I appreciate you. You were easy to talk to and quick to smile. You were thoughtful and giving. And so pleased when you made something that delighted us. Lemon Meringue Pie for example, oh yum! You gave me 2 firsts in my life: My Bridal Shower. My first grown up, very feminine, lingerie. I was a teenager and it felt so good for you to acknowledge that I was growing up. Thank you for the firsts, thank you for the loving friendship, I am forever grateful for the times spent with you. I love you. I am happy that for awhile you were here with all of us. And now you are reunited with others you have loved: Dewey, Tony, Daryl, Rusty, Chuck, Betty and more. Reminds me of these words in a song: "when we all get to heaven, what a day of rejoicing that will be..." Enjoy your reward Billie, enjoy Heaven. Jesus Loves You and so do I.*

“ for someone who loves to write, I am at a loss for words.
I've loved her all of my life and I cherish so many things about her so what I'll say is this...

She had the greatest laugh, especially when Dewey, Tim, Daryl, or Rusty had something to do with it.

She was a great Mom ... to the boys and to all of us Wiggs children and to the Henley children. Always an ear, always an honest word from the heart.

She cooked fantastic meals, loved her Pepsi, Enquirer magazines, and knowing that she pleased us by bringing all 3 on camping trips to Cachuma.

I was fortunate to spend a few days with Billie & Dewey in 2000... and even more honored when she and I spent hours in Rusty's room where she showed me his high school momento's, told me stories about him and his friends, shared her personal feelings about his passing, and Deweys .. and took me to visit his gravesite. It was special to my heart and I will always cherish the closeness I felt to her that day, woman to woman.

I am so honored to have been entrusted with her thoughts and feelings about so many things ... and thrilled to have spent my childhood and adult years with her in my life.

Time and distance did not separate her from my life ... and she will not be away from it now.

I believe our biggest guardian angels are our loved ones who are watching over us after they passed from this life.

I choose to feel her love .. and her peace.

If I could say one more thing to her ?

Billie .. I've loved laughing with you, at you (just like you and Dewey laughed at yourselves)and I loved watching you laugh with my mom and Betty at our antics, at the mens antics ... and at each other.

Forever in my heart, my mind, and my soulspirit Deb
