“ *Betty & Norma,*

I am so sorry for the loss of your brother and so wish I could have come to visitation or his service. Not being able to drive anymore limits my going. But, I wanted you both to know as well and his family that I am holding you up to the Lord in my prayers. He is with God now and no more pain or suffering...and you will see him again in heaven. I love to think about being in heaven where my eyesight or lack there of and insulin will not be an issue for and pain and suffering will not be there for any of us. I love you and God Bless all of you,

Linda (Glenn) kennedy, Glenna Glenn and Eddie Don Glenn. (Ed Glenn's family)

“ Aunt Jane, BC, Sibby and Christy,

We are so sorry to hear of Uncle Bills death. We love you and wish we were there for you at this time.

Instead of sending a family spray, we are sending 4 Peace Lilies. We want each household to have a plant to take home after the funeral. The plants can continue to grow and remind you of the special memories and times with your loving father and husband.

We pray for comfort and peace for each of you. Over time, while you still hurt, you can find yourselves laughing as you reminisce. These memories are forever.

Remember we Elam's love you and wish we could see you more often.
