“ *Just remembering many fun times I had going to junk auctions with Joe and having to argue sometimes on who got to bid on the stuff we both wanted but we always worked it out. I've known him for many years and he has always been a good hearted person that never spoke badly of anyone. I'm sure I'm not the only one that will miss seeing him. My sympathy goes out to his family for their loss of such a good brother and uncle.*
