“ *Norvella and Family,
I wasn't able to come to the funeral, but my prayers and thoughts are with you. You both were our first friends we met in Arkansas. My Husband, George was stationed with Billy Wayne at Whiteman AF Base- Knob Noster, Mo.
Well, to make a long story short, we had some good times-but life goes on. George will be dead 22 years this coming November. He was in a bad accident, on his way to work on the base.
I'm still around, at least for a little while-I have some aches and pains- use a walker-but go every day-I have a care taker (Dorothy) she is a God send.
She has joined the Lutheran Church-so we go to church quite often. I would like to come see you, for old times sake. And we can reminisce.
Take care, cry a little and pray a lot. And know that you have family and friends.
Tell we meet again.
All my love and Sympathy, Dorothy and family*

We always had so much fun with Billy Wayne and Novella and the kids growing up - camping trips to Blanchard, card playing for the adults, fishing trips. He used to scare Angela to death acting like an old crippled guy. We'll miss him!
