“ It's still hard to believe your gone dad. I miss you alot. You went too soon, none of us was prepared for that. It hurts to think about you gone. I am thankful you are no longer in pain, but I still wish you was here. I'm trying my best to be strong for mom and the kids. I'll always cherish the memories i have of you. I miss the days we would go riding on the 4-wheeler as a kid and the days we would just sit on the front porch enjoying the day. I love you dad. I know someday we will all be together again. Keep watch over us and I'll try my best. Give us the strength to get through this life. I love you dad.
