“ *To the family of "Billy" Woodell...please know that although I only  
recently met your Billy and Kathy Woodell, I will forever carry both in  
my heart. Billy was a positive force of nature who knew how to  
make you smile no matter the circumstance. I believe he will carry  
his "light" with him and be pain-free once more. Gather comfort in  
the fact that Billy was loved by many and influenced all who knew  
him. My prayers and thoughts are with you in this time of true loss.*
