“ Norma, Gary and Rodney,

*What a wonderful man "Chaney" was. I probably spent more time with him than you did someday, Norma, during all those cable splicing hours. What a great partner and co-worker. I always knew he was going to do his share and more*

*If he said he was going to do something, he did it. You could always count on "chaney"*

*Love to you all.*

*George*

“ *I am so sorry and hope that God will be with you all at this difficult time. I am glad that I got to know Bob through working with him. I have known "Chaney" since Feb., 1969 and he was always the same. He will be greatly missed.*
