“ Norma, Gary and Rodney,

What a wonderful man "Chaney" was. I probably spent more time with him than you did someday, Norma, during all those cable splicing hours. What a great partner and co-worker. I always knew he was going to do his share and more

If he said he was going to do something, he did it. You could always count on "chaney"

Love to you all.

“ I am so sorry and hope that God will be with you all at this difficult time. I am glad that I got to know Bob through working with him. I have known "Chaney" since Feb., 1969 and he was always the same. He will be greatly missed.
