“ *Phillip and I are so sorry to hear of the loss of Big Bob. He really brought opportunities and fun to our town when he opened the donut shop. The After Hours band started there and will always be a precious memory for us as the hours of picking music with friends was a priceless gift he gave. His attitude about life was always one of hope and adventure. He had the gift of making one feel at home and welcome even with a quick meet and greet on the town sidewalk. Condolences to the family. Bob was a family treasure whose living will continue in speaking his name in so many stories he left with you. Phillip and Marcheta*
