

Brenda Ruth Conn

October 17, 1946 - September 8, 2022

Brenda Ruth Browning Conn of Searcy passed away after a brief illness at the age of 75 on September 8, 2022.

Brenda earned an Associate's Degree and worked as a computer programmer at White County Medical Center where she met her future husband Gifford.

They were married for 48 years and raised two daughters, first living in Bald Knob and then Searcy. Brenda was a homemaker while the girls were younger, and then became a small business owner for 15 years before retiring. Brenda spent the last 17 years of life as a caregiver to family members. She did this not out of obligation, but because of who she was.

True to her nature, she selflessly dedicated the latter years of her life to caring for those that she loved. Her patience, selflessness, and unconditional love were beyond measure and were a blessing to family and friends. Her greatest joy in life was spending time with her two grandchildren whom she adored.

The adoration was mutual, and the three of them would play for hours.

Anyone who knew Brenda knew that she existed to serve and care for her family, and her memory and light will shine on through them.

Brenda is survived by her husband of 48 years Gifford, her two daughters Jennifer Conn and Jessica McElreath, her son in law David McElreath, her two grandchildren Carlee and Creighton McElreath, and her older brother Raymond Carroll Browning. She is predeceased by her parents Raymond and Berniece Browning and her sister Rebecca Allen.
