“ *We always went camping up on the red river. Went arrowhead hunting. I REMBER one day we floated the river. Went up this little creek to fish. Don and Mike had pulled the boat up on the bank. They got out to explore and Brenda got out of the boat and she tried to get me to get out to. She turned around and almost took a step towards where Mike and Don had walked to and she almost stepped on a cotton mouth . boy he was a big one. Don and Mike killed it.*
