“ Mrs Brenda was an extra mom to me...she always welcomed me into their home when I was a teenager, and was so nurturing. She had a huge heart and knew exactly what to say to comfort you. She was an angel here on earth and she will be dearly missed. Tell Big we miss and love him. I love you Mrs Brenda❤️

“ Me and Brenda worked together at the bowling alley in west Helena. We had the best time cooking and listening to Michael Bolton on the CD player. She was a good friend and will be missed ❤️

“ *Where do I begin? There's too many memories to express in these few words... Brenda ALWAYS was the first to be there to offer love and support, comfort, care to her parents n siblings. We all knew who to call when we were scared or nervous about a situation in our life. She was so much more than a big sister... often times she took care of us while she suffered . Never could she not afford something for us. She would do for us then not have enough for herself... Sissy this is not goodbye but I will see you later! Love you then and love you now n love you forever!!!💕💕💕 one of your baby sisters, Bonnie*
