“ I send my sincere condolences to Steve's family and friends, which I'm sure are many!

I grew up with Steve and Joe in my young life. We had a ton of fun playing football in the Wilson's big yard next door. I'm lucky that my grandparents lived near and we became friends. As we grew up we all played golf together at Possum Run. There were lots of laughs and jokes and just good times.

I'm very thankful for the friendships that continue in my heart! You just can't replace those sweet memories. Blessings to Steve's family at this most difficult time. In the 'Light' with Love and Aloha!

My sympathy to Steve's family. I hold fond memories of dating him in high school He worked at a butcher shop and would bring steaks to his home to grill out for us or we would just ride on his motorcycle. He was a kind and thoughtful gentleman. He will be missed by all that knew him.
