“ Mrs. Betty, I just want you to know that I am constantly praying for you and your family. There was not another one like him. Brian was a great guy with an unbelievable personality. I don't believe he ever met a stranger.

I pray that you and your family will find comfort during this difficult time.

“ Mrs. & Mrs. Johnson-
I had the pleasure of knowing Brian back in high school when I was visiting your church. I am deeply saddened by your loss as brian was a good person-one that always had a smile on his face as well as a kind word to say. My family and I will keep you and all yor family in our prayers. As others have said, its difficult to understand why, but continue to find comfort in the lord as he will give you the strength and courage to go on...hold onto the memories that once and will always make you smile. God Bless!
