“ *Cousin, it is hard to believe that you have been gone almost 7 years, or that you would be 57 today. I know that you are enjoying the splendor of heaven with your Dad and many other family members that welcomed you there. Thinking of you today and often think of your Mom.... who is well cared for...I promise she always will be cared for.*

*Until I see you there, Bobby*

“ Pam, Jeep and family: Two of the sweetest memories I have of Danny and Bryan was the last time Bryan was at our home before he went to the service the two of them were in Danny's truck playing and singing along with the tape Happy Trails To You Until We Meet Again. The other memory I want to share ,Bryan was at our home and he and Danny were sitting in the floor watching a 3D movie, wearing those old 3D glasses eating popcorn and drinking a coke. I said this to try and paint a picture. I believe Bryan and Danny have met again in Heaven and they don't have to wear 3D glasses to see beauty and glory of Heaven. Like the song Amazing Grace says I was blind but now I see. I know none of this helps you right now just know that you are lived so much by this family and so many others and we have a great big shoulder you can cry on any time. Love to all,

*Bobby and Shirley Hubanks*

“ I am so thankful for the short time we had together. I have so many wonderful memories of sitting on the deck just shooting the bull with you. I think of you every time I build a fire and how I wish you were here. Once we got the spark glowing in the fire there was never a dull moment. By the sound of your laughter and the stories you told made everyone happy who had gathered around. Its just not the same without you. I could be down and out, (you know them pj days) and your knock on the door would instantly give me a smile. I would throw on some clothes and here we would go. Sometimes to the lake, a friends house or just for a ride. My heart goes out for your family because I know how much you love them and how they loved you. My heart and prayers are with yall! Fly high Brian Jones!
