“ *My prayers and thoughts are with you. I am so sorry for your loss. Bryan was a good kid and it was my honor to get to know him. Ashlyn, he loved you as much as you loved him, just remember that love when you are feeling "blue" and use those memories to go on. You will see him again some day and that will be a joyous reunion.*

“ *I am so sorry for your loss...*

While putting away the Christmas tree ornaments, I discovered the one Bryan gave me years ago when he was in sixth grade. It brought back many pleasant memories of him.

My thoughts and prayers are and continue to be with your family at this time.

“ *Delenna, Charlie, Ashlyn, Sheryl,*

I am so very sorry for your loss. Most of what I remember about Bryan was from when he was little, back when Delenna, Sheryl, Joyce and I all worked together at the Total. He was so sweet, mischevious and just plain joyfull! I know you have endured some painfull losses these last few years with the passing of Guy and Joyce. I thank God that they were waiting in Heaven to receive Bryan. Sheryl, we just saw each other right before Christmas at the \$5 shop...only God can answer why this happened...know that my thoughts and prayers are with you all. Love, Jeanne
