“ It is hard to put into words how much Aunt Bula meant to me. She was always interested in what was going on in my life. She was a great encourager and showed her care and concern for family and friends. She endured great heartache, illness and loss with grace and dignity. She did not give up when others would have. She was a great example to me. Our families have been so intertwined, it is hard to imagine life without her. Some of my best memories are of camping, shopping and laughing with her. How very blessed we were to have had her love. Janice Jones Moore

“ I was very saddened by the news of Bula's passing, I remember going over to see the nephews, and She always made me feel a part of the family, Even after I was married and left Bald Knob every time I saw her she would ask about My wife and Jeremy. She was one of the most giving people I knew. She will be missed by everyone that knew her.

*“ Camille and I are so sorry for your loss. We really enjoyed seeing you all last year when we came to visit. I remember visiting with uncle Gene and aunt Bulah when nana and papa would bring me with them on vacation. I told Camille before she met her that what I remembered most was that aunt Bulah was always fixed up and very beautiful and even at her age last year she didn't disappoint. Love you all, Scott.*
