“ *Rest in Peace my dear friend. You were more like a brother to me who always gave me good perspectives at finding a decent job. I will always remember you and you will be greatly missed. I do miss our fun times together when we used to go bowling and to the movies and I will never forget them. God bless your soul.*

“ *I am so sorry for the loss of your wonderful son, nephew, and friend. I went to high school with Cabell and worked at the YMCA when he used to go there to swim a lot. He was always the nicest person, and always had an infectious smile on his face...so caring and genuine. I feel blessed to have known Cabell. We should all aspire to be more like him. Heaven definitely received an angel, and I know he is watching over you. Please know my thoughts and prayers are with you all during this very difficult time.*
