“ Bro. Chad, Shelley, and family..I was so sorry to hear of Caleb's passing. He was a precious young man. I have so many wonderful memories of him at Prescott Head Start and Central Baptist. My heart breaks for you all. He was a blessing to me back then and all of us who taught him at school. You are in my thoughts and prayers and will be in the days to come. May God's all sufficient grace comfort you.

“ I will never forget my sweet Caleb..I had the privilege of being one of his teachers at the age of 4. We all loved Caleb at Prescott Head Start. My favorite memory of him was each morning when he entered the building..I hugged each child that came through. One morning I was on the phone and wasnt standing in the hall. I looked out and there stood Caleb waiting on me. Other kids passed him by but he waited. I told him how proud I was of him and thanked him for waiting on me. He gave me that little grin. Precious memories. He didnt know that I needed that hug . My thoughts and prayers are with you Bro Chad and Shelly and the family. My heart breaks for all of you. Caleb is free and living his best life. God bless all of you..

May God comfort this wonderful family during this difficult time in there life. Calab was a very quite but sweet little boy when y'all were living in Carlisle. Thanks for giving me the privilege of getting to be your boy's grandparent at school when there grandparents wasn't able to be there. That's something that I will always remember as long as I live. That made me day when you called me and ask if I would be there grandparent. Thanks for thinking that much of our friendship to ask me. That was a exciting day for me even though Calab was very shy and quite. Love your kid's and you and Shelly very much.
