“ Rick and Melody, I am so sorry for the loss of your precious girl. Carley always brought a smile to the nurses in clinic.I am going to miss the "pray and spray" with Mya and the band aide of shame we had to wear. We all have some wonderful memories of water fights, coloring contests, and races in the clinic. Please know that you are in my thoughts and prayers.

“ Your family is in my prayers. I am glad that my family was able to assist in making her dream of going to Disney World a reality for her. Her story touched our lives and opened our eyes and made us realize that we should spend time together as though it may be our last time together.

Pam McDonald is my mother.

“ *Rick, Melody and family;
Carley is playful and pain free watching over you now. I will miss the coloring sessions (after the spray and pray) and her playfulness when she was feeling good. Praying for peace for your family and thankful I got to be a part of your daughters life on this earth.*
