“ *Carlos' family,
I know you don't know me, but I played ball with Carlos when we were children. My dad was his ball coach! Carlos and I lost touch as we got older, but I think of him often! He was so funny on the baseball field. You see, me being the only girl on the team, I got harassed often! It was all in good humor! I so hated to hear of his death! Will keep you guys in my thoughts and prayers!*
