“ Betty Carlton, Mickey and family,

My condolences on the loss of your dad. C. B. and I worked together for VSP for a couple of years in the late 60s. He was always a strong family man. We lost contact after I transferred to another area and he later left the department. May he rest in peace.

“ Dear Betty Carlton, Mickey, and all of the family. I will never forget how kind Mr. Fore was to my fellow band members and me in the 1970s when we, *The Boston Continentals*, performed at Duffy's. He was a real gent and offered us a place to play the happy music of those days. We offer our deepest sympathies and will pray for your family. John
