“ Tina, Ive been thinking about you and your family. Its a rare thing when a daughter in law speaks so highly of her mother in law and so I know that she must have been a lovely person. I came to the funeral today and it was a thoughtful tribute. Someday, Zoie Cakes wil love her book! God bless you all and give you peace. Selma

“ Carolyn was my best friend through grade school , junior high and through out recent years. Her family and home were like my second home during those years. I can't tell you how much fun we had during those childhood years.. She was the most sincere, loyal person with the quickest wit and the biggest heart. She was a giver and cared about people. If your were blessed to be close to her you were showered with devotion and acts of love. She was a good person through and through and went the extra mile with everything; her family, friends, students. Anyone who knew Carolyn was a better person because of her. She had a heart for those less fortunate and made so many lives better. She was one of the the strongest people I have ever known and her courage and dignity in dealing with her illness was an inspiration. She will live in the hearts of all that know and love her. May her family find comfort daily in the memory of their precious times together.

“ I have been out of the loop but just wanted to say how sorry I am that this lovely person is no longer here with her family. I met Carolyn at the school when my daughter went there and she was so nice and kind. May she rest in the Lords hands and may we all visit again one day.
