“ I've known Carolyn less than a year but the first time we met she welcomed me like an old friend. She was very special to me and the void she leaves will never be filled.

“ I was so sorry to hear About Carolyn..She was my friend..Although we havent kept in touch in a long while..I would still think of her often and the times we went to bingo together..We had such fun..She was just the sweetest person I know..Always a smile for you..She will be greatly missed...I pray that God will put His arms of Love and Comfort around each of you and give you strength to get through this sad time..But know this..She is in no pain anymore..She is in a Grand place..a beautiful Home..And I am sure she is happy..And one day you all can see her..and your Dad again..Just live for the Lord..Put Him first in your life and heart and trust that He will forgive your sins..Love and prayers to you all..Love..??
