“ I was so sad to see Faye's obituary. She and I were good friends in high school, and although I probably haven't seen her since we graduated, I have thought of her several times over the years. My deepest sympathy for her family.

*Sincerely,*

*Janice Cloud*

“ Mama, You just do not know how much you were loved. You received over 600 vistors on Tuesday evening and another 100 + attended the funeral. Numerous visitors came by the house also. We have received 60 + sympathy cards between Daddy, Me & Christi. We are trying our best to take care of Daddy, but only you could spoil him the best. Love you and miss you, see you soon.

“ There are no words that we or anyone can say to ease the pain you feel in your heart but please know that you all are in our thoughts and prayers. So many loved Faye for so many reasons, she was one of a kind with a great sense of humor. All we can do is offer you a shoulder to cry on or an ear to listen. If there is anything we can do please feel free to call at any time.

“ Bradley , Charlene, and Christi . I am so sorry to hear of your loss . Faye was a special person and had a heart of gold . She loved you all so much and you could tell exactly how much , you all were her life , My the Good Lord hold you all in the palms of his hands at this time of sorrow , I am so sorry for your loss , and you all are in my prayers . Faye was the same everytime I saw her , always had a smile and a kind word, the world is a sadder place without her , God bless you all and keep you close , call me if you need any thing.

“ I have come to this guestbook many times in the last 24 hours trying to find the words and they just won't come. But I know firsthand that it really doesn't matter what a person says at a time like this....it's knowing that they care enough to try to find the words.

*I love you all like you are my own family and am heartbroken for you all. I know how hard it is to lose someone you love so much. It's been almost 2 years since Mac passed and some days it's still very hard. Sometimes the memories are so clear I can almost touch him...I can see his smile and hear his laughter.*

*Your faith in God will bring you through this so hold on tight.*

*Please do not hesitate to call me if there is anything that i can do for any of you.*

*Love and prayers to all of you...Mitzi*

“ I am so sorry for ya'll loss, words cannot express how I feel. Charlene, I am Sherri Childrey, mother and you were so much help in Sherri Chilrey's wedding. I was so shock when Carloyn Fisher called and told me. I will be calling your daddy later and talk to him. I lost my husband 7 yrs. ago, so I have some knowledge of what you'll are going through. Please note that ya'll daddy are in my prayers. Love to u all.
