“ Sonja and James, Shane and I are very sorry to hear of the loss of your mom. We loved and thought very much of both her and your dad. Y'all were more than neighbors to us when we were young. We will never forget them, for they hold a special place in our hearts forever. Love, Shane and Jennifer

“ *Sonja & James,
I am so sorry to hear about your mom. She was a very special woman to my family! My grandparent really thought the world of her and Billy! They would always get together when "the damn yankees" would come from Arkansas!!! I can remember them all laughing and cutting up with each other! Carolyn will be missed for sure!!!*

You guys are in our thoughts and prayers.

“ *Carolyn and I met at the Paws Inn store in Searcy where we both were volunteers. We both were widows always talking about us finding a man, we both had been through cancer treatments and made it. We became friends right away and even made a fun trip to Branson. We had talk about going on a cruise and getting our passports but time went by and now by friend is on the most important trip in all our lives. I will miss you my fun friend but will see you in heaven some day soon. To your Family and Friends I say God Bless To You
