“ Lynn timer (Carolyn's name for you),

I'm so sorry you girls had to go through so much at the end but you hung in there like the both of you did with Bert. You were the center of her world. We had some good laughs and times together at the office and I missed her after she retired. She had such a sharp mind and was the "go to" person when folks had questions. Please know you'll be in our thoughts moving forward as you recover from the loss. She leaves us all with many fond memories!

*With our best love
