“ *When I was little Charles was always willing to put aside his newspaper to read me a story. I never knew him when he was young, only as a adoptive grandfather.*

*you will be missed*

“ *Dear Lois, Chuck & Mike:*

*We were so very sorry to learn of Charles's passing. I have very fond memories of "Daggone" from all our years at G-P. He was a pleasure to work with and so very, very amazingly smart.*

*May God bless each of you with His peace & understanding.*
