“ My darling Chuck, my soulmate, my love:
My heart breaks to not have you here with me. I keep waiting for you to call me from the hospital and tell me to come to pick you up. I wish I had just one more of your wonderful caring hugs, and I could tell you just one more time how much I love you. This last year has been such a challenge for us, but we were making it together. I am so thankful that you are no longer in pain. I look back at how you chased me and how we had a whirlwind romance just after my daddy died. We have so many wonderful memories and all of our travels: trips to Michigan and Frankenmuth, the Grand Cayman Islands, Charleston and Savannah, 3 trips to Walt Disney World, the Oklahoma City Zoo, Branson, Panama Beach and our travels in Oklahoma and Arkansas. You made a Woo Pig Soovie out of me, but you never let me make you a Sooner! You took in my kids as your bonus family and treated them as your own. The twins love you so much, they will surely miss their Pa Pa. Thank you for taking my mom as your own, and the banter between the two of you is priceless. My comfort is that I will see you again someday. You were a wonderful husband but more than that a MAN OF GOD, you thirsted for as much of HIM as you could get.

You truly were my handsome, debonair, man about town, and I your beautiful brown-eyed girl. All my love - Patty

“ Chuck my Brother in law was awesome. We had lots of laughs and good times when I was able to visit. He was Carlitos to me the Spanish name I gave him, I couldn't get him to say much more than a few words but he tried. I'm so very grateful for the way he loved and cared for Patty my Sister and our Mom and also to my son Andy while he lived with them he called him Tío (uncle). I will always remember our trip to Branson and many trips to Lowe's he loved that store. So many times he would take us shopping and patiently wait till we were done just to spend time with us. He was my buddy who shared his calamari. Working outside in the garden and getting the little doggies to stop carrying turtles in their mouth was fun. We loved putting food for deers and watching them come in the yard. The house will not be the same without you in it Carlitos but I sure am grateful and beyond blessed to have known you and had you in our family. Miss you Carlitos hugs to you in heaven.

Patty, I did not know your husband, but I could see how much you both love each other in your pictures. I could see that you both were very happy together. I know that Chuck is now with Jesus' loving arms and is whole. May the Lord also keep you in His loving arms of comfort for you at your time of loss.
