“ Charlie always had a special place in my heart from memories of visting us when I was little. He always tried to get me to talk and I was so shy I just always smiled at him. Ever though I didn't get to visit him much I did every chance I got as I got older.

Love ya

“ Was so sorry to hear about Charlie's passing. Even though it has been a long time since I've seen Charlie I remember him as being very kind to his little sisters and I remember that grin he always had. Know that all of you are in my thoughts and prayers. Love, Anna Mae
