“ I have known Charlie for alot of years since I was a lil girl, I always liked talking to him. We could always make each others day, arguing with each other about silly stuff. I know the last few months I havent been up to visit him. He will truly be missed by alot of ppl. And to the family I am so deeply sorry.

“ We are so sorry for your loss. There could not have been a better friend and neighbor than Charlie. Right from the beginning when we moved there, Charlie was always there to lend a hand or offer friendly words of "advice". It has been an honor and a pleasure to know him and a deep void has been created by his passing, but we know he is in a much better place and finally gets to be with his beloved wife. God bless you all - he was so proud of his family. With love and deepest sympathy, Lonnie & Vickie Lyttle

“ We had so many good memories of the many years our lives intertwined. My sister and you were always happy to see us. You were always loving and kind hearted to my husband, my children to me. I have learned the very deep loneliness that you suffered after my sister died. I did not understand until my path was as yours has been. I wish that life did not have to end this way. I wish that there would be another way for us to cross over. We will all walk the path and step over as you have done. I could write a book about you and my sister. I could write a book about the honor you carried with you concerning your children, your grand children. If anyone ever wants to know the kind of metal that you were made of they can ask me. I will miss you so much. You passing is Heaven's gain and my loss, our loss. I wish that I could be there to support you kids, your grand kids, it will be very hard to say good by. They are all in my thoughts and my prayers. I believe that you have stepped over into the light, and are blissfully happy with your mother, your grandma Wooley, your wife, all those you have loved that went before you. R.I.P. Charlie. You are gone from this veil of flesh but you will never be forgotten or far from our thoughts. Love Earlene
