“ There are a lot of things that can be said about Chuck, service to his country, service to his community. He will be missed by a great many people and will leave a large void in their lives, but will have memories that will last a life time. Prayers and thoughts go out to family and all his friends.

I went to high school with him and he taught me about the Lord. His love for God touched many lives. I know he is so happy to be in heaven and I get comfort knowing someday I will see him there. I pray that all who are missing him will feel God's arms around them,
