“ *To Bro Chester's family and most of all Sis Linda, we will all miss him but his testimony is something that I am proud to share with our three children, to be able to teach them (especially) our boys what a real Godly man is suppose to be, brother Chester's walk with the Lord is a rare gem to behold. I am glad our family got to be a part of knowing him and share in his life.*

I thank him for being real.

Our prayers are with you..
