“ *I just found out yesterday, Dec 29, that Christopher had passed away. I guess my emotions were of shock, disbelief, followed by tremendous grief. Christopher had helped me, about 3 years ago, with getting a VA disability, from an injury I had on active duty while in the military. Chris walked me through the process, and answered my questions, then and on a regular basis after I was awarded benefits. Big sigh, I'm going to miss him,*
