“ So sorry to hear that your mother has passed on. Even though 93 years seems like a relatively long period of time, it often feels too short when we lose a loved one. Best Wishes to you and yours as you deal with this loss.

“ Garry, Jane and family;

What a loss ! and what a jewel your dear mom was...to so many of us...esp. my parents. You will genuinely miss her...but she fought a good fight and lived a godly life. What a joy to be around, always much more interested in you and talking about herself. We count her a queen and ever so lovable lady.
