“ *It will be the little things
that you will remember,
the quiet moments,
the smiles, the laughter.
And although it may seem
hard right now,
it will be the memories
of these little things
that help to push
away the pain
and bring the smiles
back again.*

I just want you to know I Love You to the Moon and Back and To Jesus too. It is hard here on Earth cause I am going through all these Losses and Seems like I am all alone.
