“ I am so sorry for your loss. I worked with Red in Home Health, and she was the most cheerful, happy, wonderful person I have ever had the privilege to work with. The world seems dimmer without her bright smile.

My thoughts and prayers are with you.

With sorrow,

Kay Rohde, RN

“ I am so sorry to hear that Red has passed away. I worked with her in Forrest City at Arkansas Home Health and Hospice years ago. I was a new nurse then and she took me under her wing and really taught me alot! She was funny, kind, and a pleasure to be around. All of the patients loved her. I have often wondered where she had moved to. God Bless all of you, her family! I guess God needed another angel in heaven because I know that she truly was a wonderful nurse and woman. I will keep all of you in my prayers.
