“ My Grandma taught me about Jesus at a young age. He told me when I was about 8 that I didn't understand then about what he was teaching me but that I would one day. I always listened to what he taught me and everything he taught me about the Lord was true and I saw a lot of the things he told me he learned from the Bible that would happen happen over the years. He thought I didn't understand but I did and I'm so grateful to him for loving the Lord and caring enough about me to lead me to him as well.

Also, when he used to be under the trailer fixing something, he would get so irritated and yell "come on now!" At whatever he was trying to fix. Haha

He kissed my Grandma Bea goodnight every night and said "well I'm gonna call in the dogs" or "I'm gonna hang it up"

He lived cornbread like no other.

He lived his family so much and we were everything to him.

I meant to say Grandpa not Grandma in that first sentence but it won't let me edit it. Sorry
