“ It brings me great sorrow to know that Eddie has let this world and passed over into the pearly gates of Heaven. We spent alot of time together back in our younger years. I learned how to drive a standard driving his truck. So many fond memories of him is within my heart. He was always coming up with new ideas and he never had a dull moment in his life. Now he is with his parents and siblings enjoying his heavenly life although he is not here in body with us his spirit and memories will always be in our hearts. My prayers are with the children and family may God give you peace of mind during this time of sorrow and the days to follow! Eddie you may be gone BUT YOU WILL NEVER BE FORGOTTEN!
