“ I have known Will since he came into my life at 4 years old. He was a wonderful person, a great father, and also a great artist. You brought so much to my life and a lot of beautiful memories. I will miss you so very much but you will always have a place in my heart. I hope you knew how much I loved you. It was a honor to have been your stepmother. My Deepest Condolences. My prayers are with you all.

“ I am so very sorry for your loss. I was one of Will's 6th grade teachers at Middle School in Searcy and remember Will as being a kind, helpful young man with a big heart. I read somewhere that we can cry because someone died but we can smile because they lived, I will always smile when I think of Will. You are in my thoughts and prayers.

“ Any friend of Steve Tye or his sister Patricia will have no problem  
remembering Will. Most of us hot-rodders always gathered at Will's  
grandfather's car lot on Saturday mornings, and there was always a  
pretty good chance of seeing Will and his brother Michael there.  
And naturally most of us older guys picked on the younger ones.  
And in time Will learned that we really liked him even though we  
were picking on him! To the family.....from your friends: Your loss  
touches each of us deeply, and we encourage you to be strong for  
the young ones left. Keep the good times and memories of Will in  
front of them so they will have a lifetime of treasured remembrances  
of him. May God bless you all during this loss.

“ I married Claude 12yrs ago. He was real caring and would do anything for anyone. He struggled hard to become the tat artist he is today. I have the very first tat ever done by him on my arm. I will never forget him or the art he left behind. He was a good man. My deepest condolences,
