“ It was our pleasure to get to know Dale (and you too, Karen!), as we spent countless hours on countless bleachers in countless places watching our boys/grandsons play football. So appreciate all of the great pictures Dale took and shared of Joel! So appreciate the friendship we gained through that time. Know our love and prayers are with you, Karen; with you, Heather; with you boys - Trevor, Austin, Kyle and Dylan; and with the rest of the family. Love you all! If there is ANYTHING we can do, PLEASE let us know.

“ I always enjoyed the family and travel photos that Karen shared with me when I cut her hair. Dale was quite the photographer and took it seriously. I know you are so grateful for all of the memories you have in your heart and his his photography. God bless you all. What a wonderful example you two have represented in both of your love for God , each other, your families, and your fellow man. God bless you all.

Dale was one of the first people I met when I began my job at AP&L (Entergy) in the 70's. He and Rod Hester laughed at my interpretation of 'conductor' and switches. He was a great guy -hard for me to reconcile my memories with the 'older' Dale. I can't picture him with gray hair, R.I.P. Dale.
