“ Coop was my platoon Sgt. for several years we served in Egypt and Iraq side by side. He was a really good guy and I thank he and I taught many lessons to each other in the Signal Platoon. One of the most intelligent persons in the platoon. You will always be in my heart and mind.

“ I had the privilege to work with Clayton on several occasions while at Walmart. Clayton was just a great guy and dedicated associate! He had a tremendous love of technology and a determined work ethic. He was always willing to help anyone on the team and really enjoyed mentoring new team members. “ I had the privilege to work with Clayton at Walmart on the Lottery project, we were recognized as patent holders with his ingenious approach. Clayton was not just a co-worker, he was my friend and I'm honored to have known him. He called last week at 3:00 AM and we talked for about an hour about the technology he was thinking about. Always looking above and beyond, I will miss you my friend, you'll always be in my heart.
