“ Uncle Clentis was a huge part of my childhood, as deacon and song leader in our church he used to let me and Scotty lead a song or two, he even "let" me work with him a time or two. In my "younger" adult years he was the one who grew a row of cotton and let my girls share in the Joys of picking it. My family and I will be praying for you all, while our memories are precious they can't compare to the joy God has for us on that glad reunion day.
