“ He will be deeply missed. I enjoyed the times that I have gotten to spend with him. Mr. Hall was a kind, compassionate person who was dedicated and trustworthy. To Cynthia and Andy I'm sorry I won't be able to give my condolences in person. Please know that my thoughts and prayers are with you and your family at this time. He was very special to me and I've missed breakfast with him in the mornings with the gang. You don't meet to many people in this world like him and your mother and anyone who had the pleasure of knowing them was truly blessed themselves.

“ Andy and Cynthia...both of your parents were such nice folks. Andy, when you and I were in high school and I would come over, your Dad always slapped me on the back with a "How's it going Chuck?"...always made me feel welcome. My thoughts and prayers are with you both.

“ Clyde gave a Phil a job on the tire route not too long after we got married in 1972. He was strict but fair and we always loved him. We saw him a few months back having breakfast in the HRH cafeteria with a few friends. He was a wonderful gentleman, a great example for us when we were younger. He loved his kids and his wife, and missed his wife greatly after her death. Please know that our thoughts and prayers are with you all now and in the days to come. You were truly blessed to have him as a father.
