“ Homer, Lisa and Amy
I have so many heart felt memories of your Mom. Quincy and I both thought the world of Connie, She was a joy to watch grow up, and grow into one of the most amazing woman and Mother. She had such an impact on anyone fortunate enough to have known her. I'm sending this note with so much love for you all at this time. May the memories of Connie bring you some sense of comfort during the most trying times. May God give you strength.
Love you all,
Aunt Peggy

“ *Dear Sandra & family. I'm so very sorry. Remember when were kids & I would take the short cut to your house on Hwy 258. We burned a lot of shoe leather back then. I'll always remember playing with you & Connie, walking to the show to see Elvis movies. & playing Beatles records. God bless you all.*
