“ I as so sorry to hear about Howard. I just now received an email from John with the information. I guess he had a hard time finding contact information for us. I am so sorry that we lost touch through the years. You have no idea how thrilled I was when I found out that I had two older brothers which I had never known about, and then finally to have met John when he came back from Viet Nam, and then for both of the boys to visit mom and dad. It was really a treat for all of us. I live part-time in Colorado and part-time in South Padre Island, TX. I pray that you and the family are all doing well. I cannot imagine your grief. Please find comfort in the fact that he is in a better place now. Take care of yourselves.

“ We send our sincere regrets about Jeanette and her familys loss in the passing of Mr Kinser.

Words cannot express our sorrow but as words are all we have at this time the best we can do is to state that we are available when you need us.
